### POSITIVE PROFIT ALERT

The Board wishes to inform Shareholders and potential investors that, based on the information currently available to the Company, it is expected that the consolidated profit attributable to owners of the Company for the 3 months ended 31 March 2021 would be significantly increased by approximately 1.7 times to approximately HK\$260 million as compared to the consolidated profit attributable to owners of the Company for the 3 months ended 31 March 2020 (approximately HK\$95 million).

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**

This announcement is made by Truly International Holdings Limited (the “**Company**” and, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) of Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to the Company, it is expected that the consolidated profit attributable to owners of the Company for the 3 months ended 31 March 2021 (the “**Period**”) would be significantly increased by approximately 1.7 times to approximately HK\$260 million as compared to the consolidated profit attributable to owners of the Company for the 3 months ended 31 March 2020 (approximately HK\$95 million).

The Board believes that the expected increase in the consolidated profit attributable to owners of the Company for the Period was primarily attributable to the following reason:

1. **GROSS PROFIT SIGNIFICANTLY INCREASED** – The gross profit during the Period has been significantly increased by approximately HK\$178 million as compared to the corresponding period of 2020. It was mainly because the revenue and gross profit margin for the Period has been increased by approximately HK\$637 million and approximately 2.2% respectively when compared to the corresponding period of 2020.
2. **NET FOREIGN EXCHANGE DIFFERENCE TURNED LOSS INTO GAIN** – The Group has recorded approximately HK\$22 million net foreign exchange gain during the Period (2020: approximately HK\$48 million net foreign exchange loss).

The Company is in the process of finalising the consolidated financial results of the Group for the 3 months ended 31 March 2021. The information contained in this announcement represents only a preliminary assessment by the Company of the information currently available to the Company.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**
